Club Service Goals

Membership: Each club increase membership by a minimum of plus two members in 2009/10.

This could be accomplished by simply having a Membership Night during the upcoming year, and by creating a fun and involved atmosphere for members and their guests.

Programs: You should have at least one guest speaker per month. When in need of a speaker you can call any District Chairperson.

District Convention: Each club should consider purchasing one advertisement in the District Convention Program. This is your convention and you should support it. Each club should send at least one representative to the district convention.

Zone and District Goals

Extension: We will form at least one new Lions Club, one Leo Club, and one new Campus Club during 2009/10.

Peace Posters: We intend to double the amount of Peace Poster entries in District 31F in 2009/10.

White Cane: To increase 31Fs involvement at the State level with Camp Dogwood, VIP Fishing, Clinical Eye Research, and the Vision Van. Increase district involvement with the Jack Stickley Program and the Woolard Partner-In-Service Program

Club Leadership: Presidents and Secretaries should attend all district leadership training and all zone meetings.
